

Legal Expertise from Level Access

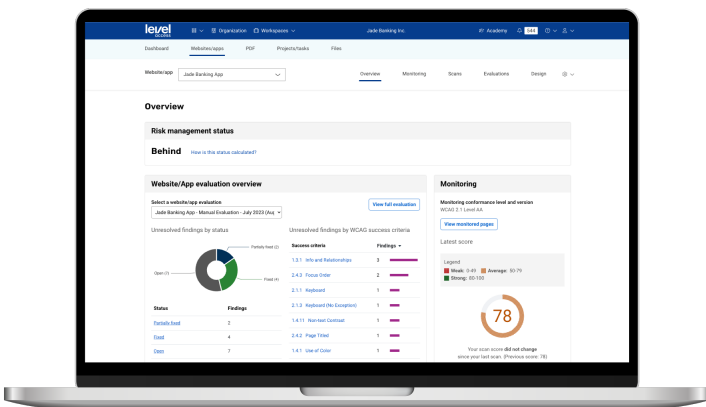

Amid the high velocity of digital accessibility lawsuits and evolving international regulations, organizations of all sizes need legal expertise to understand their digital accessibility obligations and move quickly toward compliance.

Whether you're facing an upcoming compliance deadline, navigating legal action, or aiming to reduce your risk of a lawsuit, Level Access will provide the clarity and support you need to move forward with confidence.

Resources and support for lasting compliance

Our legal experts are well-versed in the technical standards for digital accessibility and how they relate to litigation trends and international compliance mandates. We'll work with you to meet laws and guidelines such as:

- Americans with Disabilities Act (ADA)
- Web Content Accessibility Guidelines (WCAG)
- Section 508
- Accessibility for Ontarians with Disabilities Act (AODA)
- European Accessibility Act (EAA)
- EN 301 549
- California Unruh Act
- New York Human Rights Laws

Additionally, we offer a range of legal services tailored to your organization's unique needs. These include:

AODA Guidance and Filing Support

Streamline reporting on AODA compliance. Our support process empowers teams to file the required documentation with ease.

Demand Letter Evaluation

Remove the uncertainty from navigating a demand letter with our rapid-turnaround Demand Letter Evaluation process. Our legal experts will help you assess the validity of your demand letter, respond strategically, and mitigate future risk.

Demand Letter Validation

Confidently respond to a demand letter. Our Demand Validation service certifies that your team has fulfilled its commitments, so you can rest assured an accessible solution has been put into place.

Legal Monitoring

Stay on top of legal developments that may impact your organization. We closely monitor digital accessibility case law and legal activity, noting relevant general and industry-specific trends.

Legal Consulting

Enlist the help of subject matter experts to understand regulations, identify best practices for compliance, and navigate any challenges that arise.

Letters of Governance

Demonstrate your commitment to compliance — no matter where you are on your accessibility journey. Our team will deliver the documentation you need to validate accessibility, including Letters of Progress, Substantial Conformance Statements, and Accessibility Statements.

System of record

Understand and report on your organization's compliance over time with the Level Access Platform. Access a history of testing and findings, including your current accessibility health status and documented improvement.

The Level Access difference

Support tailored to your needs today, and tomorrow.

Level Access subject matter experts guide organizations through the rapidly changing regulatory landscape. Our legal support enables you to meet immediate obligations and maintain long-term compliance.

Deep understanding of the legal landscape.

Our team stays up to date on the latest digital accessibility legal trends, ensuring you stay ahead of relevant regulatory changes and case law developments.

Interactive accessibility icon.

Our interactive accessibility icon on your website signals the highest standards of accessibility, publicly demonstrating your commitment to compliance.

About Level Access
